CLUB NEWS

Manager's Message

Dear Members,

We have quite a Fall season planned here at the Club for you! From Member favorite events such as the Haunted Harbour and Day/Night Golf to our newly added and well received Wine Dinners and Steak Nights, I am excited to have a full calendar of activities for our Members to enjoy!

I am also excited to be moving forward with some improvements here at the Club. With the success of our first round of Life & Legacy Membership offering, I am moving forward with the planning and design of our Member Dining Patio extension & cover. While the exact timeline of this has not yet been determined, once the design and plans have been created, we can continue with the permitting and bidding process- hopefully starting & completing construction this winter!

While our new patio will be a great addition to the Club, other projects such as a greenside bunker and irrigation project is something that I would like to get started this winter as well. This could be possible with the sale of additional Life & Legacy Memberships! If you would like to learn more about how you could both unlock savings on dues & carts for yourself (27% to over 50%) while helping to support and fund improvement projects here at the Club, please contact me! There are still a limited number of Legacy 5, Legacy 10 and Life Memberships available.

As always, please do not hesitate to reach out with any questions, comments or concerns.

See you at the Club,

Stephen Morris, General Manager
StephenMorris@sshgolf.com
